Hi friend! I am really concerned about the fact that you have homeworks even during your winter holiday. Apparently, we don't have homeworks in the holidays. In the first years of studying in school we had easy homeworks but we used to do them very fast, so we still have time to relax. Nowadays in the last years of school we prepare for our exams on our own. Besides school things it is also great time for our hobbies. For example like mine - drawing. Also usually we go to rest with our cousins to eat, celebrate New Year, and help my mother. Then the rest of my holidays I spent at home spending time with my family: watching movies, baking cookies, cooking food and playing with my little sister. So that is how I spent my holidays. Having fun studying and spending time with my family. Hope you will enjoy your holiday even though you have homeworks.
